SUPER BOWL

A special thank you goes out to Mike Rollins not only for taking every single picture on this page, but also for all the pictures he took for the team throughout the year.

Sophomore lineman Marc Babcock

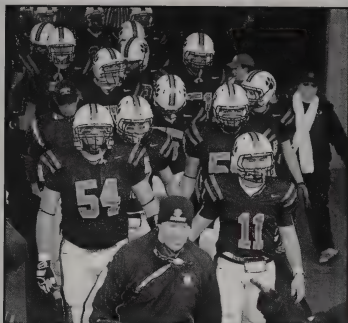

Junior RB/DB Nick Theriault

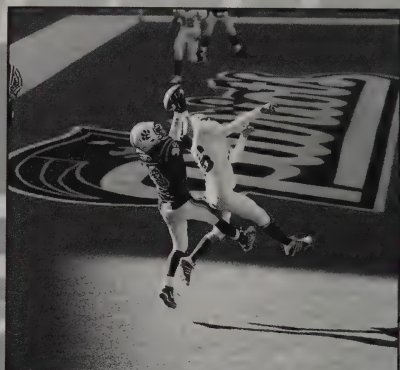

Senior Lineman Alex Ego

Junior LB/FB Nick Quatarone

Captains Joe Wioncek and George Kallas lead the Beverly Panthers into Gillette Stadium and on the field.

Shown above sophomore RB Brendan Flaherty scores the first two touchdowns for the Panthers, both receptions coming from QB Joe Wioncek.

Nick Theriault runs a crucial 70-yard touchdown to put the Panthers in the lead 21-20.

CHAMPIONS!!

Junior Mark Giles records a sack towards the end of the game.

Chris Mitchell records an open field tackle on Somerset's running back.

The Beverly Panthers celebrate at Gillette after taking home their first Super Bowl title in school history.

A fan bus went to the Super Bowl Game with BHS students that wanted to go to support their team.

As well as capturing memorable moments of the game, the big screen also featured many views of the crowd, as well as the final score 28-20.

Shown below is senior captain Joe Wioncek throwing the football along with some of his receivers catching.

Senior

Black & White Affair

The Senior Class brought back the dances! They held the Black and White Affair, a semi-formal dance where everyone wore either black or white. A great time was had by all! Hopefully this will start a new tradition of dances coming back to BHS!

Class Advisor
Mrs. Jean Archer

Slush

Over the past couple years the class has sold different flavors of slush after school. It always proved to be a very successful fundraiser as people couldn't resist the cool treat on a warm day.

Valentine's Day Candy Grams & Carnation Grams

Over the past four years it is estimated that the Class of 2011 delivered almost 1,000 grams to students and teachers! WOW! That's a lot of grams!

Fashion Show & Senior Guy Auction

The Senior Class held the annual fashion show in the new auditorium. Dresses from French Bridals and tuxes from Classic Tuxedo were modeled. In addition, dates to Fire and Ice with Senior Guys were auctioned off!

Memories

11

Senior Cookout

Following tradition, the Senior Class held a cookout the day prior to the first day of school. About seventy people showed up to Lynch Park to enjoy hot dogs and hamburgers complimentary of the class!

PizzaFest

PizzaFest was held this March by the Senior Class. About 100 people showed up to eat and vote on pizza from the best places in Beverly. After tallying up all the votes Prides Deli ended up winning! Congratulations Prides!

Elementary Fun Day

Our Junior year our class held Elementary Fun Day on one of the staff professional days. Students volunteered to run activities for Beverly kids whose parents were at work. It was a great fundraiser and great opportunity for students to get volunteer hours!

Spirit Week Decorating

The Seniors once again won the Spirit Week decorating for a record three times! About 30 people helped out and had a great time decorating and eating pizza!

Hypnotist Show

Sophomore year our class held a hypnotist show. Not only did we raise much needed funds but we had a great time doing it! People were hypnotized into singing NSYNC's "Bye, Bye, Bye" and smelling each other's armpits.

T-Shirts & Sweatshirts

Junior year the class made and sold class sweatshirts to students. Senior year, following tradition, the class made and sold t-shirts with everyone's name on the back.

Sam Shorr '13 started his own clothing line named "Relaps." It started off as just a way for a high school student to make money by creating logo T- shirts in his basement, but it has grown into a huge success! The Beverlega staff asked Sam a few questions about his company and what his plans are for the future.

Sam told us this, "Around December of 2009, people really started buying our products, and I knew things were getting serious. We

then went through the process of becoming 'legit' haha (becoming an LLC etc.).

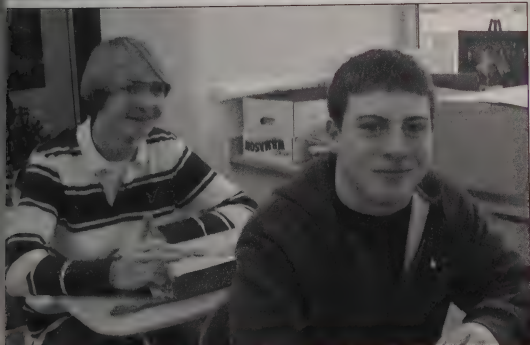

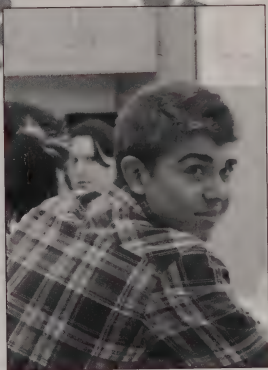

We wanted to expand, but really stay to our roots. Our motto became 'Handmade in an American basement' because print everything, in a basement-turned printing shop. We are trying to keep it that way for as long as possible!"

AP Art

The A.P. course includes a partnership with Montserrat College of Art that allows them to utilize their facilities and faculty. This means that they will have 18 of their class meetings at the college. They also have a partnership with the Peabody Essex Museum and have 5 field trips there annually. Students are beeped out of class until noon, so they are back to school for G/H block. There is no cost to students for these programs, except lunches and perhaps parking.

PHOTOGRAPHY CLUB

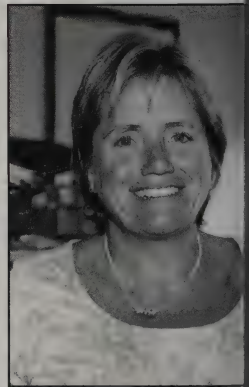

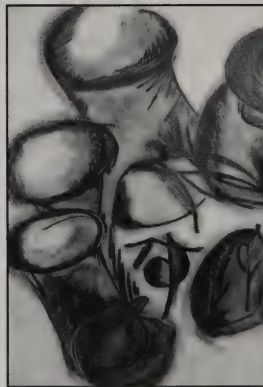

"Say Cheese!"

The photography club explores the art in taking photo's. They travel all over the surrounding area looking for picturesque scenery. They take trips to Boston and Rockport and carry their camera's with them waiting for serene images to capture. Their advisor Mrs. Graczyk instructs them on how to take effective photo's.

NAHS is designed specifically for high school students in grades 9-12. In 1978, the National Art Education Association (NAEA) began the National Art Honor Society (NAHS) program specifically for the purpose of inspiring and recognizing those students who have shown an outstanding ability in art. The NAHS strives to aid members in working toward the attainment of the highest standards in art areas and to bring art education to the attention of the school and community.

The music department has three instrumental groups that all have had success in recent competitions.

Jazz band is an audition only group and they won gold on the music trip last year. They were voted the best group there as well.

Concert band is a large group consisting of woodwind, brass, and percussion sections. Although it is not an audition group the concert band proves to be extremely talented and overall very superb.

String ensemble, the third group, is smaller but well put together. Strings plays music from Led Zeppelin to Beethoven and succeeds in all. Mr. Ray Novack has worked hard to put these groups together and it shows.

Jazz Band, String Ensemble & Concert Band

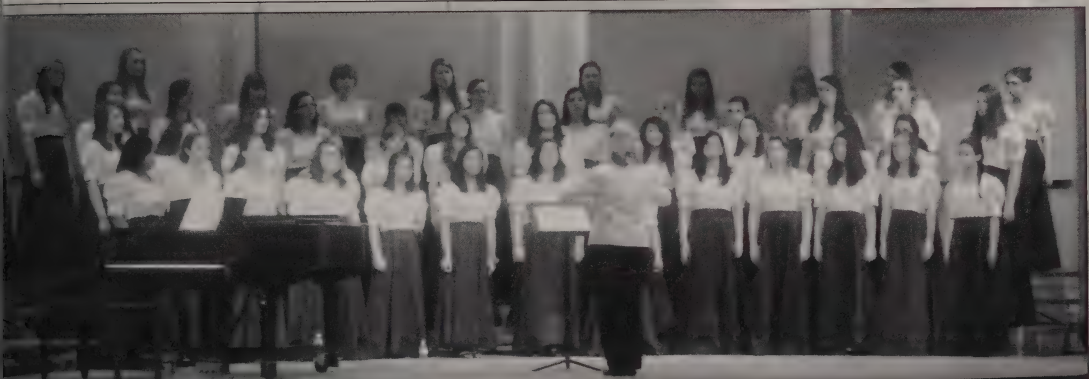

The four students that are aligned to the right next to their respective group leaders were all in the state vocal group or band. Allison Buchsbaum was the only student selected to the All State Band. Nate Howard, Gabriel Lozada and Chris Emery were all selected to perform in the All State Chorus. All four students performed at Symphony Hall in Boston.

Mr. Ray Novack

The music department has three fantastic singing groups here at BHS. Chorus is the biggest of the three groups. Concert Quire is a female only group who meets every other day during E block. Vocal Ensemble is an audition only group that meets before school on Mondays, Wednesdays, and Fridays.

Chorus is an extremely large group with over one hundred members. They meet everyday at various blocks. Chorus is a great group that participates in events like the Winter Concert, MICCA Festival, and the Music Trip.

At MICCA the Vocal Ensemble and Concert Quire both performed extremely well both receiving gold medals, they will be performing at Symphony Hall due to their success. Concert Quire is an all female group and all are welcome. They rehearse every other day during E Block. They have won awards on past music trips.

Along with the three high school groups Mrs. Pilenen-Kudlik has now introduced a Boys Choir. This all boys group consists of both high school boys and boys from the middle school and elementary school. They meet every Wednesday night to rehearse and perform at the Spring and Winter concerts. This group has largely bumped up interest for males to do chorus.

Aegis, Beverly High School's literary magazine, is the longest-running student publication in the nation.

The first issue was published in 1901, and since then *Aegis* has published two issues a year, one each winter and spring.

Beverly High School students submit poetry, prose, artwork and photography to staff members, who decide which pieces will combine to form the journal.

Aegis began publishing online in 2010, one-hundred-nine years after its original publication.

Key Club International is the high school organization sponsored by Kiwanis International.

Key Club assists Kiwanis in carrying out its mission to serve the children of the world.

High school student members of Key Club perform acts of service in their communities, such as cleaning up parks, collecting clothing, organizing food drives, and other volunteer work.

They also learn leadership skills by running meetings, planning projects and holding elected leadership positions at the club, district and international levels.

Two officers, Ben Howland and Sophia Martin help to make up a sort of council. The Council runs things and helps to keep things in order, as well as plan events and call ahead to plan investigations. The main goal of BHS Paranormal is to investigate and prove that the evidence of ghosts - and perhaps things other than ghosts exist in the world around us. Investigations and events have been planned for the 2010-2011 school year, and involve an investigation of the Lynch Park carriage house in Beverly, and a possible interview with the famed Laurie Cabot.

Math Team is a fairly new club in B.H.S. which is led by junior Jesse Pelletier. Math Team meets after school on Tuesdays and Thursdays to prepare for competitions against other schools. Some of the schools they have competed against include Salem, Bishop Fenwick, and St. John's. Members spend time answering questions in several different categories to determine what each member excels at. The team is known for its consistent high scores; having four different high scores within five meets. The math team has a meet once a month on the first Thursday of the month.

Habitat for Humanity is an organization that uses a combination of trained professionals and volunteers to build homes following natural disasters for families in local communities.

This year's club, run by seniors Sarah Nesbitt and Phil Morehead, participated in and held various fundraisers to raise awareness and money for the North Shore's Habitat for Humanity. Fundraisers included bake sales, 50/50 raffles, t-shirt sales, and spreading awareness at the Topsfield Fair. They also donated hand-painted terracotta flower pots and a freshwater, varigated pearl necklace made by club advisor, Ms. Regan to the Habitat auction.

The club also participated in build projects at 5 Park Street in Peabody, including the meeting of the family and the opening ceremony for the house.

Science League

The North Shore Science League hopes to stimulate interest and achievement in science, provide recognition for talented students, and foster communication among the students and staff of North Shore high schools. Schools compete against each other in events involving building, invention, engineering, lab techniques, and application of knowledge. All areas of science are included in events during the year.

Students study for weeks in preparation for practical examinations where they have to invent something, while others undergo written examinations.

Jesse Pelletier and Milovan Jovic both worked very hard to construct the hockey puck launcher for the November meet. The puck launcher was homemade out of scraps of wood.

Doc. Collison played an integral part in the construction of the puck launcher, as we bounced our ideas off of him and put his expertise in physics to use.

The travels to science league meets are always interesting, filled with frenzied last minute studying and teacher consultation so they can fill in the voids.

Jesse and Milovan put their creation into use during the meet, calibrating the puck launcher to shoot pucks between thirty and fifty feet.

Activities

NEC
CHAMPS

2010 was a big year for Beverly High School fall activities. The newly established volleyball team earned the title of NEC Champions for the first time in their four years of being a competitive team. Along with the Volleyball Team, Golf and Field Hockey had their third NEC victory in a row.

The Panther Football Team had the greatest upset in BHS Football history. The team started their season 0-5, without a chance in sight to win. The team went on to beat every other team they faced in their conference. Although they lost their Thanksgiving Day Game, the Panthers had still made it to the playoffs with their 5-6 record.

Their playoff victory against Situate High School at Manning Bowl in Lynn was the Panthers' first class ticket to the Super Bowl at Gillette Stadium. 1988 was the first and last time BHS had made it to the Super Bowl, but they lost against Dracut.

This year the Panthers made history with their hard fought game against Somerset High School. They ended the first half behind their undefeated opponents. The second half was a different story, finished off by the game winning sack by Tony MacDonald. The Panthers won the Super Bowl for the first time in history with the score 28-20.

Another exciting event at Beverly High School this fall was the Fall Play. This year's play, *A Mid Summer Night's Dream*, was the first performance ever in the new school's auditorium. Shakespeare originally set his play in the 1500s, but Stage Right decided to set it in the 1960's for their outstanding performance of *A Mid Summer Night's Dream*.

FOREIGN EXCHANGE PROGRAMS

During their two-week stay in Beverly, the students from Albertville, France, were kept very busy. Along with their Beverly High School hosts, the students from Lycée Jeanne d'Arc were occupied at every moment.

The group took daily field trips to Boston, Stockbridge, and Salem. In addition, the students also came to school to shadow their hosts, experiencing all the different classes BHS has to offer.

Outside of school, the students loved to get together in big groups and go out as a whole. The French loved gatherings at The Cheesecake Factory, Laser Quest, Salem on Halloween, and Lynch Park.

More Students...

TAWAN CHAWONG

THAILAND

Tawan is foreign exchange student here at Beverly High School. She is a quiet, polite senior who spends most of her free time down in the Music Department. Tawan is apart of the Beverly High School Band and excels in Honors World History, Part 2, as well as the rest of her classes.

FREDERICKA COGONI

Fredericka Cogoni is also a senior foreign exchange student. She has no problem making friends here at Beverly High School and, ignoring her negative opinions on American fashion; she spends time eating lunch with her pals and hanging out down in the library.

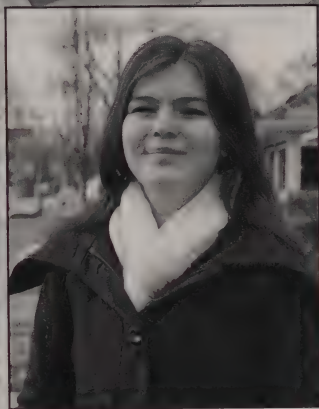

Kristina Kunz, Katja MarkFort, and Manja Evers

Germany

This year we are privileged to have three German students attend Beverly High School.

There are some small differences between the countries, but for the most part the two countries are very similar. Some small differences that the Germans have noticed are that the clothes are much cheaper, we use our cars way too much, we have a lot of Dunkin' Donuts, people are more polite, the food is more diverse, and the US is more religious.

In German schools, instead of the students moving from class to class, the teachers move around. Germans also have a lot less homework. Although there are differences, much has become similar since the German Westernization after World War II.

... More Countries

Ivey Roces

Phillipines

Ivey Roces is a senior exchange student from the Phillipines; however, unlike seniors from America, she is only sixteen because in the Phillipines, they skip 7th and 8th grades and head straight to high school. Ivey is a very intelligent and hardworking girl who is always willing to help her classmates. All who have met Ivey enjoy her presence and have only good things to say about her.

9-2

The Golf Team cruised to a 9-2 season, winning the NEC for the third year in a row.

Led by captains Adam Capodilupo and Nick Pinciario, the team's only losses were to Salem and Danvers. They capped off their season by making it to the State Tournament, missing third place by only one point.

Seniors Tony Walsh, Greg Perron, and Dan Cashman also played well throughout the season.

Next year will most likely be a tough year for the Golf Team, since they will be losing 8 of their 12 players as seniors; however, they will find leaders in Junior Brenden Mitchell and Sophomore Kevin Dyer, as well as returning varsity players Manny O'Shea '12 and Chris French '13.

Hopefully the Panthers will continue to be a force to reckon with in their conference.

1 Dan Cashman stripes one down the fairway.

2 Team tallies scores up after a match.

3 Adam Capodilupo crushes one onto the first green.

4 Greg Perron tops one into the water.

5 Tony Walsh smokes one on the first hole.

6 Brenden Mitchell putting the long bomb and sinking it.

3-Peat NEC Champs

Nick Pinciario, Senior Captain, played a key role for the Panther Golf Team this year. Playing at the 1 spot, he needed to step up his game and rise to the occasion - and he did, finishing the season with a 7-3-1 record and shooting a 79 in the State Tournament!

Adam Capodilupo, Senior Captain, played at the two spot this year and won 7 of his matches and lost 4. He recorded the best score for Beverly in the State Tournament at Pocasset, MA, shooting a 78. Adam was a great leader and terrific golfer.

JV Field Hockey

Varsity Field Hockey had a tremendous year, ending their regular season with a record of 17-0-1, undefeated for first time in Beverly Field Hockey history.

The starting forward line - Cpt. Corrine Woods '11, Lainey Bernfeld '11, Cpt. Julie Crowley '11 and Erin Silvestri '12 - were all key players throughout the season.

Woods, who will be playing Division I field hockey for Bryant University next fall, led the Panthers in points. She had 21 goals, 13 assists, and led the League in points. Fellow captain Julie Crowley controlled the ball and helped get it to the front of the net.

Erin Silvestri, a strong right wing, had a great season and helped get the ball to the net with her powerful drives.

As a link, freshman Nicole Woods played a huge role on the field and controlled the ball well.

Not only were the Panther forwards dominating on the field, their defense was smart and kept the ball out of the Panther end.

Last year the Lady Panthers graduated their starting goalie, but freshman Felicity Otterbein stepped up and took

the position. She was sturdy in the net and cleared every near ball.

BHS named five all-stars: Lainey Bernfeld, Nicole Woods, Corrine Woods, Julie Crowley and Erin Silvestri. In the first round of the State Tournament, the Panthers blew by Danvers with a 6-0 shutout.

In a fast paced quarter-finals game, they came out with a 2-0 win against Concord-Carlisle. The 2010 Field Hockey season came to an end in the semi-finals when the Panthers played Andover on turf at Reading High School.

Although the team battled a good game with senior Brooke Malloy scoring their only goal, the Golden Warriors beat out the Panthers with a score of 4-1.

The girls reached multiple goals on the Panther Field Hockey Team. They were NEC Champions for the third year in a row and made it to the semi-finals of the State Tournament. Winning seems to be becoming a Field Hockey tradition!

First time NEC CHAMPS

Beverly Girls Volleyball had an unbelievable season. Last year they won one game the entire season, and this year the final record stood at 9-11(9-1 in the NEC). With only one loss in their conference, Beverly was the team to watch in the NEC.

The team was led by Captains Ashley Chalifour and Jessie McClung. Chalifour was the team's setter, and her leadership led the team to many victories.

McClung and Alex Kelly, Alex Coult, and Mariah Dodd were the team's key passers in the back row.

In the front Carly Meares had a killer attack

from the weak side and Jen Ashton and Sarah Pezzulo from the outside.

The two middle hitters, Brittany Anderson and Andrea French, also had some great attacks and blocks that got the team many points.

The team played their first tournament game against Reading. Reading was the number 2 seed while Beverly was 15. Beverly held their own, but ended up losing 3-0.

The girls are happy with the way the season went, ending up being co-champs in the NEC. With the clear improvement, the Beverly volleyball program hopes to go even further in the playoffs next year.

Going the Distance

Despite strong, consistent efforts by all the members of the Beverly Boys' Cross Country Team, their season fell short of expectations. The team ran hard, but faltered in an extremely competitive Northeastern Conference, losing to powers Gloucester, Swampscott, Peabody, and Marblehead. Throughout a season filled with adversity, the Panthers were able to garner a respectable record of 3-4.

Led by senior captains Pat McPherson and Scott O'Neil (N.E.C. Honorable Mention), the Panthers remained competitive in every race. Junior John Page (N.E.C. Honorable Mention) was the Panthers' top runner this season with runners Tyler Petroccione (N.E.C. Honorable Mention), Justin DiLuiso, Jake Levine, Owen Goettemann, and Nick Robinson providing other strong contributions. This young Panthers team looks to remain a contender in the Northeastern Conference for years to come.

CAPTAINS

Despite a valiant effort on the field this season, the Beverly Boys Soccer Team found themselves coming up short of their tournament expectations.

Led by senior captains Matt Bourque, Josh Carmer, Brad Surrette, and Pat Wilson, the Panthers battled to a 5-9-1 record in a very competitive Northeastern Conference.

Despite the struggles of this season, there is hope for the Panthers' playoff aspirations in the future as they return a young team that will be led by the strong play of Connor Leahy '13 and Cam Rogers' 13. Brandon Sungy '12, Cam Jones' 12, and Will Gotsch' 12 will also look to make strong contributions to the Panthers' success.

Coach Kevin Leahy also sees a plethora of talent on the JV and freshmen teams that will help the Panthers change their fortunes.

One thing is for certain, if the Panthers are going to turn things around, it will be due to the hard work and dedication that have been a staple of the team for years.

Molly Hannigan was the team's last line of defense as sweeper and bailed out the girls on countless occasions. Her speed and quick thinking was invaluable and her experience in the back went unmatched through the year.

Clare Leathersich was a strong and aggressive force in the midfield throughout her career as a panther. Her determination and speed was a leading force in increasing the girls energy during tough and close-matched games and she controlled the middle of the field throughout the season.

NEC CHAMPS

If there is one word to describe the Panther Football Team in 2010, it is *comeback*. The Panthers started off slow losing their first five games against teams out of their league, but after their first win at Hurd Stadium's second annual night game against Danvers, the Panthers were nothing but flawless, winning all five of their conference games.

Their best win came against Swampscott, a nail -biter through to the very last play, which earned the Panthers their first NEC Championship and ticket to the playoffs in 22 years.

Basing the Panther offense around a solid running attack, Offensive Coordinator Roger Day made a big change this year, switching from the Spread Offense to Wing-T.

This attack was lead by sophomore Brendan Flaherty, junior Nick Theriault, and sophomore Kenny Peirce. These backs could not have done what they did without running behind the huge line of seniors George Kallas, Alex Ego, Andrew Cannata, Alex Traicoff, George Kastrinakis, and sophomore Marc Babcock.

Quarterback Joe Wioncek was under center for the Panthers. He occasionally threw the ball to his favorite targets Chris Mitchell, Mark Giles, and Blake Sullivan. The Panther defense also went through a transformation, which is now being lead by Head Coach Dan Bauer. The defense showed their strength holding teams under 20 points during the second half of the season.

The whole defense was exceptional during the season stopping the run and making opposing Quarterbacks day miserable. The line consisted of Sr. Defensive Ends Tom Macdonald and George Kastrinakis, and Sr. Defensive Tackles George Kallas, and Andrew Cannata. The hard hitting, and hole filling line backers consisted of Sr. Joe Wioncek, and Jr's. Mark Giles and Blake Sullivan.

The young but aggressive defensive backs consisted of Sr. Cornerback Chris Mitchell, Jr. Safety Nick Theriault, So. Safety Brendan Flaherty, and So. Cornerback Dom Abate, with Jr. Dan Brown, and So's. Kenny Peirce and Dave Rollins working their way in the mix as well.

However, due to their hard work, perseverance and an excellent routine choreographed by head coach Danielle Roback, the cheerleaders earned a high enough score to allow them to move on to the Regional Competition, which was held at Woburn High School.

Panthers Fighting Back

This year when the Panthers Relayed for Life, there were about 75 Beverly students who dedicated their night to the cause, creating the biggest and strongest team thus far. Relay For Life is a night devoted to raise awareness and money for all cancer research. The night is sponsored by the American Cancer Society and hosted by Endicott College.

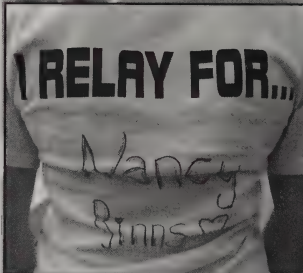

Students gathered from 5 pm to 5 am, to walk laps around the track and participate in various activities set up by the Relay team. Activities included dodgeball, basketball, karaoke and dancing. The food provided throughout the night was catered by local restaurants Prides Deli, Panera, Maria's Pizza, and Quiznos.

When the Panthers first participated in Relay for Life in 2009, the group was only about 20 students who worked hard to raise money. The funds, however, did not come close to what the team was able to raise this year. The Panthers fought back by raising over 3,400 dollars, with the most successful fund raiser being senior, James Powers.

Since 2009 the BHS Relay for Life teams have been organized by senior captains Zoe Beaudoin and KC Kelleher. Many parents volunteer their night to support the students.

A part of the annual event is the midnight Luminiara Ceremony, which is dedicated to all cancer survivors and fighters, as well as those who have passed away. Students walked in silence for an hour carrying glowsticks to honor those who have touched their lives and the lives of their friends. The students came together to support each other, and it was the most touching ceremony yet.

Relay for Life

Soles for Souls

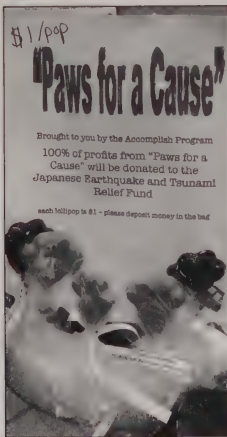

This year, the Peer Leaders ran a fundraiser called "Soles for Souls." They collected used shoes from students and faculty around the school to donate to people who can't afford to buy new ones.

Making Strides

Students from Beverly High School raised money to donate to cancer associations. Some students also participated in the Breast Cancer Walk in October.

BHS Recycling

The Accomplish Program students at BHS have organized a recycling program. Students from the program, go around the school to various classrooms and pick up the bottle and paper recycling. This is their way of helping to keep the new school clean and organized.

Another big thing these students did this year was their "Paws for a Cause". The students sold chocolate lolly pops that were shaped like panther paws to help raise money for the people in Japan.

The students also participate in many other things throughout the seasons such as baking holiday treats and making christmas decorations for their classrooms. This program is used to help give these kids the skills they will need in the working world as they move on to college or jobs after high school.

WALK NOW FOR
AUTISM SPEAKS

Autism Speaks: BHS Listens.

This year, the goal of the Beverly DECA Cares program was to help spread autism awareness and raise money for organizations that support families who have autistic children, and they did this through a number of community service projects.

First, the DECA Cares program participated in the Walk for Autism in Boston and encouraged BHS students to attend as well ; they were joined by the Varsity Football Cheerleading team and the Volleyball team.

During school, they sold Autism Speaks bracelets to the students and staff to raise money that would be used for autism research, and the bracelts were a huge success. They have also sold many autism awareness scarves. So far DECA Cares has made an outstanding \$2,010 that will be used for autism research.

MCJROTC

Business as usual

It was another successful year for Beverly High's MCJROTC program, but for the cadets was business as usual.

Following the lead of Commanding Officer Lieutenant Colonel Daniel Fitzgerald, the program experienced success in several competitions in categories such as drill andooting team events.

The cadets also made several trips to notable military locations, such as Camp Edwards (Cape Cod), the Gettysburg Battle Fields, as well as several camping trips across Massachusetts and New Hampshire.

Executive Officer Cadet Captain Alex Ortins and Battalion Sergeant Major Cadet Sergeant Major Nick Dixey also strongly contributed to the success of the program.

Following the guidance of Sergeant Major Ellis and Master Sergeant Harrison, the cadets have learned valuable life skills such as responsibility, time management, flexibility and other leadership traits essential to everyday life.

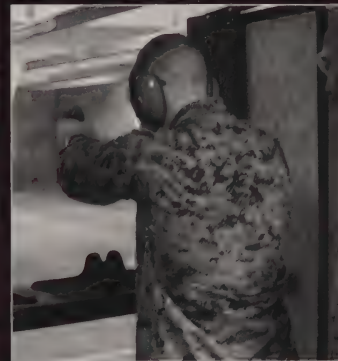

Commanding Officer Lieutenant Colonel Daniel Fitzgerald, the highest ranking officer of the MCJROTC, is extremely proud of the state of the program he is leaving after having led for two years.

"The MCJROTC program has grown tremendously in the four years that I have been participating in it. I am extremely proud of the state I am leaving the program in and am fully confident that the younger cadets can shoulder the load and lead the program on to greater success." Fitzgerald has already enlisted in the Marine Corps and will be leaving for boot camp this summer at Parris Island. He credits Beverly High's MCJROTC program with having given him the skills that will lead him on to have success in the Marines.

"I'm rather sad to be leaving MCJROTC after all the time I have spent with the program, but I know they have fully prepared me for life in the Marines, and I am eager to begin my basic training."

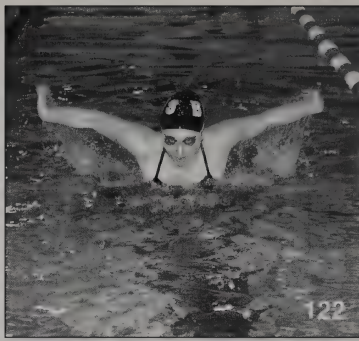

With the departure of Fitzgerald, Ortins, and Dixey, the MCJROTC is losing several established officers, but they know that they are leaving the programs in trustworthy hands.

Cadet Captain Alex Ortins, the program's Executive Officer, received a full NROTC (Naval Reserve Officer Training Corps) Marine Option Scholarship to attend the University of South Carolina. This Scholarship allows him to commission and serve as a Marine Corps Officer after college.

TOURNAMENT
QUALIFIERS

The 2010 - 2011 winter season for the Panthers has been nothing but a success. The Panthers have captured two NEC titles this winter coming from Coach Thomas' Wrestling squad as well as the Girls Gymnastics Team.

The boys hockey team has also had tremendous success on and off the ice. They almost took home the NEC title falling just shy behind Winthrop while their head coach Bob Gilligan battled cancer. In the tournament, the team made it all the way to the semi-finals. They lost against Tewksbury 6-1 with the only goal scored by Captain Mitch Hamor.

The Girls Gymnastic Team finished with another great season by making it all the way to the state finals where they placed 8th. The squad went undefeated in the Northeastern Conference.

This winter at Beverly High, *My Fair Lady* was another fantastic play the students performed. The play is about an english man who teaches phonetics finds a young woman, Liza who speak bad english. He takes her in and teaches her how to speak properly and act like a lady. Gradually he begins to pass her off as a proper english woman and then they fall in love.

Early this season, Junior trackstar Wendi Marciano qualified for Nationals during her great performance at the State Coaches Invitational Meet, running the 600m in 1:40; her time was so fast that when it was converted to the 800m time, she found herself qualifying for the New Balance National meet.

Beverly High School, with permission from the *Tams*

My Fair Lady

The Cast

My Fair Lady is a story about a cockney woman who is pulled off the street and trained to speak proper English.

Rachel Stigers '11 and Carly Moffie '13 were double cast as the lead, Eliza Doolittle. Seniors Chris Emery, Nate Howard, Austin Davy, Gabe Lozada, and Alison Buchsbaum also had lead roles in the fantastic production.

For seniors, their last musical is an emotional time. Some of the students had been in the musical for all four years, and it is always their favorite time of the year. For underclassmen, this may be the first time they have been involved in a musical. But for anyone involved, it is an amazing time to join the cast or crew to put on what seems to be a miracle in the end.

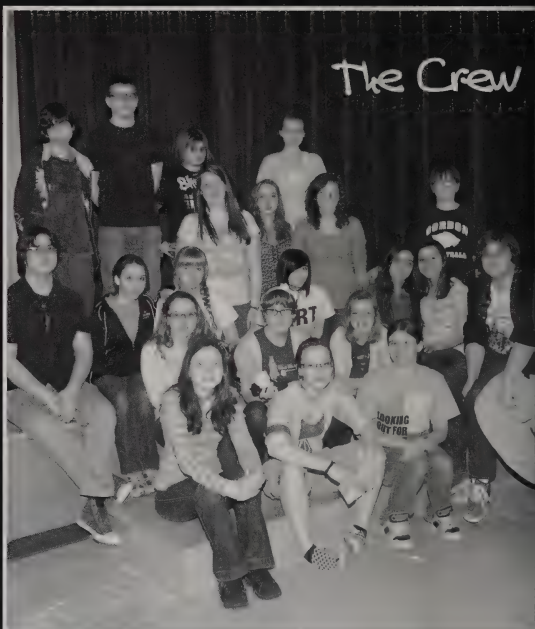

Student directors Kelsey Walsh and Sarah Flanagan were excited to see how opening night would turn out, and it turned out more than fine.

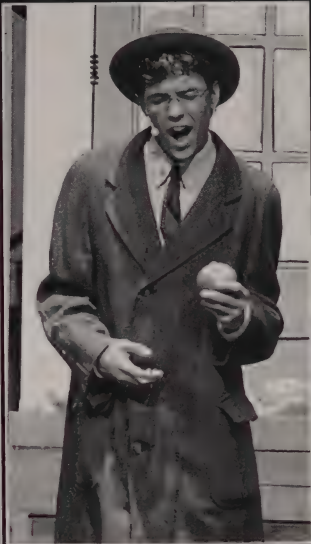

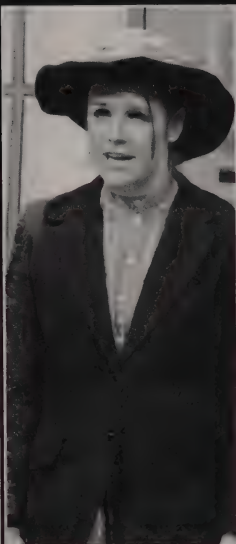

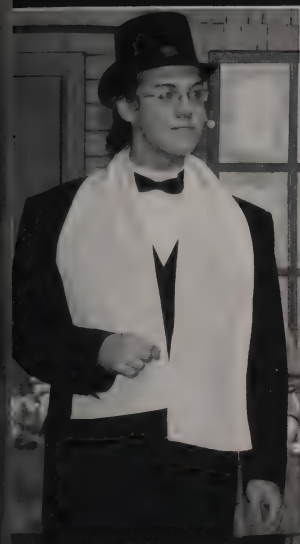

Undaunted by record snowfall, over one hundred students worked hard for three months, even on their snow days and over vacation to put on this production.

The often overlooked stage, light, makeup, and sound crews work backstage moving scenes, making sure props are ready, and hustling to make sure the stage is set. Olivia Burnham, the stage crew manager, worked hard to make sure that the other members of the stage crew were ready and able to do their jobs.

It was a long and crazy 3 months in the preparation for the musical, but everyone made it through for a wonderful production.

NEC/ CAL CHAMPS

The Girls Gymnastics Team came a long way since last season, where they had finished the season with a 5-4 record and qualified for sectionals in the eleventh seed out of twelve teams. This season, the team had other plans in mind. Their goal was to go undefeated throughout the regular season, earning the NEC/CAL title.

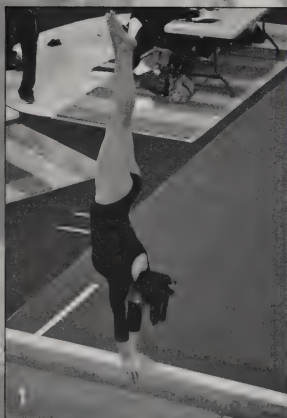

At Sectionals held at Hudson High School, the Panthers were seeded fourth out of twelve teams and needed to finish within the top four teams in order to qualify for states. Beverly was able to finish just behind Chelmsford at Sectionals, qualifying them for the State Finals for the first time in nine years.

The State Championships were held the following weekend at Shrewsbury High School, where the Panthers finished eighth.

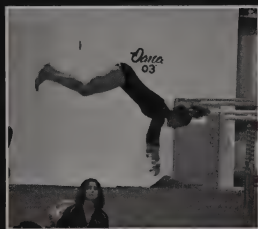

In addition to the successful season as a team, there were five girls that qualified for State Individuals. Senior Megan Harty, juniors Courtney Hannable and Liz Layman all competed on individual events, while junior Taylor Metta and sophomore Adrianna Beartice competed in the all-around competition.

Co-captains Cassie Clancy and Megan Harty provided leadership throughout the season, and all three seniors will be missed.

The Panthers look for even more success in the upcoming years.

1. Junior Taylor Metta was a strong all-around competitor throughout the season.
2. Senior Megan Harty was one of the strongest competitors on beam.
3. Senior Melanie Collins was always consistent on bars.

Wrestling

Beverly Wrestling has kept to tradition and had a very successful season, taking the NEC title for a 4th straight year. Fresh back from being last years NEC Champions, the Panthers didn't let their guard down, and pushed forward with terrific drive.

Lead by strong senior captains Brian Foley, Steve Wilbur, Joe Wioncek, and Renaldo Cuko, the team has competed hard, and achieved great wins throughout the season.

Senior Conor Sullivan, fresh back from a sidelining injury last season, helped largely, while Sophomore Antuan Tran was also a contributing member all season. Reliable wrestlers for the Panthers continued up the lineup, including captains Steve Wilbur and Brian Foley.

Juniors Kris Stefani and Noah Convicer had fantastic years. Consistent wins were also earned by captains Joe Wioncek and Renaldo Cuko. Senior Andrew Cannata, ensured wins and helped push the team to victory.

Coming in late to fill in for Andrew Cannata, senior Aaron Ingemi had a strong, impressive come back since his last appearance his sophomore year. Throughout the season, the Panthers came out tough and aggressive, and solidified their status as a strong and competitive team.

As of post season, a strong group of wrestlers placed in the top four at Sectionals. Seniors Brian Foley, Renaldo Cuko and Andrew Cannata took second place, while captain Joe Wioncek took third, senior Conor Sullivan took fourth and junior Noah Convicer placed fifth. These five senior athletes headed to the state tournament the next weekend while Convicer was a runner up for the tournament.

At states, Renaldo Cuko and Andrew Cannata were the only two who made it on to All-States the next weekend. Both wrestlers competed well but only Renaldo Cuko continued on to the second day where he went on to lose in the semi-finals.

Beverly Swimming had an impressive season this year, ending with a 7-1 record for the regular season. The team was led by four captains: Carolyn Hall, Meghan Nardella, Ashley Sinclair, and Pat Wilson all of whom showed great leadership in and out of the pool.

Although rival Marblehead was NEC Champs, the Panthers as a whole came out on top at the Conference meet, winning the title of NEC Meet Champions.

Numerous swimmers moved past the conference with qualifying times, including freshmen Kristen O'Connor, Keely Higgins, Emily Walsh, and Jackie Peterson. Others included upperclassmen Riley LeBland, India Boland, Kaitlyn O'Connor, and Captain Carolyn Hall, who moved on to sectionals and states.

The co-ed sport provided much competition for swimmers at all levels. Beverly soundly defeated most of their opponents with outstanding effort from every swimmer. The most important meet of the season, against Marblehead did not end in favor of Panthers, but many swam great personal times.

At the end of the season, Beverly had broken numerous high school and conference records. India Boland had an outstanding season and was voted NEC MVP, as well as our own Beverly MVP.

The Beverly High School Boys Hockey Team had a great year, finishing the season with a 16-6-1 record. They were led by senior captains Mitch Hamor, Tony Walsh, and Andy Brown. The two other seniors on this year's team, Troy Cabral and Mike von Zweck, also played significant roles on and off the ice.

The core of the Panthers' success was led by several underclassmen, including sophomore stand-out Andrew Irving and his younger cousin, freshman Connor Irving. The young Panther team played an incredible eight freshmen throughout the whole year.

The Panthers were the first team on the North Shore to qualify for the playoffs. They drew the seven seed in the tournament and faced a strong team in Concord-Carlisle, winning the game 3-1 and moving on to play Winthrop, the second seed, whom they hadn't beaten all season.

The Stoneham Arena was filled with a sea of orange that cheered on the Panthers. The Panthers went goal-for-goal with the Vikings, but came out on top in the third period with one goal by Andrew Irving. Senior goalie Tony Walsh's

performance was nothing less than extraordinary that night, helping the team stay on top for a close 5-4 win, shocking the favored Winthrop Vikings and qualifying the Panthers for the semi-final round of the playoffs.

Mrs. Morris and Mrs. Archer, two former BHS Ice Hockey Cheerleaders, organized two bus loads of student fans covered in black and orange who traveled to Chelmsford to cheer on the Panthers, as they went on to face the six seed, Tewksbury High School. Unfortunately, the glory days for the Panthers came to an end against Tewksbury. A lot of great playing was done by both the offensive and defensive positions. Although the Panthers lost 6-1, their unconditional effort was outstanding. Senior Captain Mitch Hamor, assisted by Co-Captain Andy Brown, scored the only goal in the second period. Tremendous shots were taken by others, such as Connor Irving, Andrew Irving, Troy Cabral, and Jake Straw. Although none were successful, the Panthers showed great strength in that game and never gave up the fight. They finished strong and had a great year as they made it to the semi-finals.

No Field House; no home court advantage

Captains: Rachel Willwerth, Ashley Chalifour, Jen Ashton
with Head Coach Matt Smith

The Beverly Girl's Basketball Team ended their season with a 8-12 record. With the difficulties of not having a field house, it was unfamiliar and there was no "home court momentum."

All three teams, including J.V. and Freshman, practiced together, leaving those teams with successful seasons.

The girls had a big win against their rivals the, Danvers Falcons, with a buzzer beater made by Senior Captain Jen Ashton.

Unfortunately the girls suffered a second half of the season "slump" and didn't make the post-season tournament.

Beverly Panthers finish the season without a home court advantage

Field house construction forces Panthers to play home games at Endicott, Gordon, and Salem High

This year the 9-11 Beverly Panthers fell just short of making it to the tournament.

Starting off with a strong 5-2 record the panthers ended the season with a 4-9 record. Being 7-10 needing a win to keep there hopes alive, Beverly had a spectacular performance making this the first time the head coach Scott Lewis beat Salem.

Unfortunately they lost in a hard fought game against Dorchester loosing it in the last few minutes.

Standout players were Zach Zigelbaum making the NEC all-star team, and Aven Jones with a strong average of 10 points a game.

Captains this year was Connor Mahan and George Kallas.

This young team is looking to do some damage next year with 7 juniors and 3 sophomores on this years team.

The future looks bright for the Beverly Panthers.

Even though the team had some great athletes, this season was not the best season that they have had. Instead, it was more of a learning and growing season with a lot of young talent like sophomores Andrew Poveromo, Harry Brown, and especially Kenny Pierce, breaking the 300m sophomore record.

With a lot of up and coming talent, the future seems bright for Beverly Boys Track.

This is the essence of who I am now. You need to find your reason for living. You've gotta find your big, gigantic drum kit.'"

The Senior Class raised over \$1,300 at the annual Prom Fashion Show and Senior Guy Auction. Dresses donated by French Bridals and tuxedos donated by Classic Tux were modeled by members of the class.

Brian Alexander and Kelsey Walsh hosted and auctioned off the guys. Class officers Aly Shea and Mike von Zweck worked behind the scenes doing lights and sound with special help from seniors Olivia Burnham and Tony Grifoni.

The highest bid went to Tony Walsh with \$130 by Jenny Creesy. Other high bids were for Brian Alexander and Chris Mitchell. All the winners will be going out to Fire and Ice in Boston later in the Spring.

PIZZA FEST

On Wednesday, March 9th, about 100 Beverly High School students came to the Upper Gym to enjoy pizza from local pizza shops in Beverly.

Pizza places that donated included Cabot Pizza, Cafe Salerno, Little Italy, Luigi's, Maria's, Prides Deli, Prinzi's, Dom's Trattoria, and Not Your Average Joe's.

After trying a slice from every place, students voted on their favorite pizza place.

After tallying the votes, Prides Deli came in first, Luigi's came in second, and Little Italy came in third. The winner, Prides, donated over forty pizzas to the class! They included plain cheese and many other toppings including buffalo chicken, Hawaiian, and veggie.

Lights! Camera! Zach Stone!

Some of you may know Zach Stone as a charmer or a genuine nice guy, but what you really don't know is he has a passion for Media Productions. He does short videos for fun but also uses his talent to enter competitions, and recently was a top ten finalist of the best student presentations of the year. To see for yourself visit the BHS front page and see this unique video on there. He is just one of many talented kids that are using their skills wisely at Beverly High School.

Q. When did you first get involved with your Media Productions?

A. I started experimenting with my parents video camera in 5th grade with my friends. It quickly grew from something I did every now and then to do something I thought about daily.

Q. Are you looking to make this hobby a career choice?

A. I'd love to get a job in video or film. I've been getting little jobs here and there, and it's awesome to make money doing something I love. I plan to go to college for film and work my way up.

Q. Is it true you have a Green Screen? Tell us about it.

A. I convinced my parents to paint one of our walls bright green one summer to help with some effects. I'm basically able to replace the green color with anything I want in the computer, which is crucial for FX.

Q. How long do these short clips take to make?

A. The time it takes to make something really depends on how complex it is. For example, complex effects shots I have created may only take a few minutes to shoot, but hours to edit.

Q. What inspired you to start making movies?

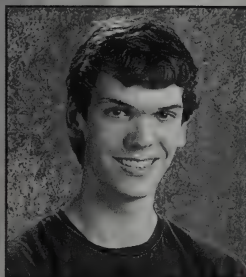

A. Ultimately, my parents were my source of inspiration as they have been working in video for many years. When I discovered YouTube, I really like the idea of gaining an audience with my videos online.

Q. About how many have you made?

A. Since 5th grade I have made about 70 internet videos. Most of these were usually fun experiments I did with my friends with effects, editing, and music, and I have received about 5 million views.

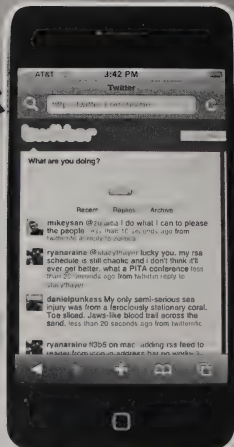

Q. What is your favorite movie you have made? Tell us about it.

A. It's hard to decide what my favorite video is, but I think the most fun I have had producing anything was while making a Samsung-sponsored short film a few summers back. I won a spot on the 12-person crew out of 7,000 applicants and got to produce a high budget, 10-minute short film with other teens. It was my first real taste of being on a film crew, and we were able to shoot a pretty cool film.
